**Re: Time Warner Cable, Inc. Request for AT&T Declaration for Effective Competition Filing**

Dear Mr. Gilley:

This letter is in response to your January 5, 2012, email request on behalf of Time Warner Cable ("Time Warner") for a declaration from AT&T that it is operating in certain Wisconsin communities in the Milwaukee suburbs for purposes of demonstrating effective competition using the so-called LEC Test under Section 76.907(c) of the FCC's rules.

Attached is a declaration from an AT&T manager responsible for marketing and sales of AT&T U-verse services. The declaration confirms that AT&T offers AT&T U-verse TV service in the listed communities and that the service in those communities is comparable to the video service offered by the incumbent cable operator. In addition, the declaration includes certain other representations that show the elements of the LEC Test are satisfied.

Please feel free to call me at 214-7575-3369 if you have any questions.

Very truly yours,
